Re: Request for Disposal Clearance
Estimated 150 Cubic Yards of Soil
Evergreen Marine Leasing Site - UNIMAR Facility
Seattle, Washington

Dear Mr. Lawrence:

On behalf of our client - Evergreen Marine Leasing - this letter serves to request a memorandum of clearance for the disposal at Cedar Hills of excavated soil from the former UNIMAR site at 6701 Fox Avenue South in Seattle, Washington.

This request is for an additional amount of soil which was unearthed from an area adjacent to soil which was disposed at Cedar Hills on October 3, 1990. That material was transported by Olympus Environmental using Advanced Ditching & Excavating, and was authorized by your August 8, 1990, letter as attached. The chemical nature of this material is the same and is indicated by the attached chemical data for a representative sample. The following information applies to this stockpile.

Generator:	Evergreen Marine Leasing P.O. Box 160, MS 247 Seattle, WA 98111	Contact:	Gerri Crouch 292-3856
Transporter:	Olympus Environmental Advanced Ditch & Excavating	Contact:	Larry McGill 854-5094
